

NEW CARS DID NOT MAKE THEIR APPEARANCE TODAY

Now Stated That They Will be Put on About First of Year

BETTER ACCOMMODATIONS

Washington Cars Being Utilized, and the Complaints are Fewer

Although today was the time specified by the Pittsburgh Railways company about a month ago for putting on the new trolley cars, the old ones are still being run. Inquiry has elicited the information that the new cars have not been brought from the factory at Cleveland, Ohio, yet, but apparently their construction is being held up there.

The time now set for the new cars to be put in is about the first of the year. It is thought that the factory will not have them finished until about that time, and possibly even a little later. The company is rather anxious, it is stated, to have them arrive, so that they can do away with the crowding, and get down to a better schedule than is now being enforced.

Cars formerly used on the Washington and Pittsburgh line are being used mostly for the Charleroi line now. The old style of car is not to be seen up this way so often, and consequently there are not so many complaints about the service. The Washington cars are larger and better equipped and not quite so difficult for two persons to get a seat.

It is feared that there will be some trouble in running the large and heavier new car on account of the condition of the tracks in some places, it being said that it is not so constructed to withstand the knocks and extra weight of the new cars.

DEMONSTRATING THE "DAVEN-O"

At Pfeighardt's furniture store this week in the afternoon and evenings is being demonstrated, what is claimed to be the best and latest "Davenport Bed," the "Daven-O." The demonstrator is Miss Fox of Cleveland, Ohio, and she is interesting large crowds daily. The "Daven-O" betokens a new development in beds. It is a couch bed of a superior order, as well as the finest kind of davenport. Miss Fox is a hard worker, and has done much towards putting the "Daven-O" on the market. Already she has made numerous friends here. She came here from Uniontown, where she conducted a very successful demonstration of the "Daven-O."

Order to Brigade Members.

All members of the Boys' Brigade are requested to be at the School Hall, Ninth street tonight at 7 o'clock sharp for the final rehearsal of the "Drummer Boy of Shiloh." By order of Commander. Tickets may be reserved from now on at the Coyle Theatre, for both nights. The reservation started this afternoon at 1 o'clock.

Ladies will miss a treat if they do not attend the Daven-O Demonstration at Pfeighardt's. 8912

New Chapter Formed in East Pike Run

Epworth League Formed at Howe's—Prospects are Good

An Epworth League has been formed at the Howe M. E. church in East Pike Run township, and there are 16 members enrolled to the present date. The organization meeting was held on Sunday, after some preliminary preparation. The officers appointed were as follows: President, Miss Mary Richardson; first vice president, Frank Gregg; second vice president, Mrs. Mary Chalfant; third vice president, Mrs. Stella Sloan; fourth vice president, Walter Chalfant; treasurer, Miss Edna Hart; secretary, Miss Bella Gabe; organist, Isabelle Brewer.

LOCKVIEW NEGRO SHOT BY MEMBER OF HIS OWN RACE

Will Get Well However, the Bullet Not Taking Effect in Fatal Spot

Howard Carter, a negro 52 years old of Lockview was shot, but not fatally injured last night at about 10 o'clock by, it is thought, another negro by the name of Curry, with whom he had a quarrel some time ago. Curry, it is said, had not gone to work as he should last night, but loafed around and when Carter put in his appearance at about 10 o'clock shot him in the back. Carter was taken to the Monessen, Charleroi hospital.

PRESBYTERIAN BAZAAR ATTRACTS MANY PEOPLE

The annual bazaar given by the ladies of the Presbyterian church which opened last night in the Eldora Parlor on Fallowfield avenue was a great success. A large crowd was in attendance and good sales were made by the various booths and other departments where pretty and unique things were everywhere displayed. Somewhat of a sensation was caused by the "Five Senses" booth. At the "Seeing" booth were pretty art novelties, including a fine display of water colors and hand painted china. Candy, cakes and other refreshments were sold at the "Tasting" booth, while at the "Smelling" booth were perfumes and toilet articles. Considerable amusement was created at the "Feeling" booth where packages, with prices affixed, could be felt and purchased, "unsight unseen." At the "Hearing" booth a nickel made the wheels go round of a sweet toned Regina, and other musical toys could be purchased.

The bazaar will be repeated again tonight, and an oyster supper will also be served.

Getting Along Well.

Dr. J. W. Manda who is suffering from a serious illness contracted on Monday of this week is getting along nicely, and in all probability will be able to be out within a week or ten days.

FAREWELL RECEPTION

Firemen Entertain Joseph Elliott, Former President

The members of the Charleroi Fire Department tendered Joseph S. Elliott, a popular member of the department, former chief and for some time president, a farewell reception and banquet in their chambers last night. Mr. Elliott with his family left this morning early for Orchard, Colorado, where he will make his future home.

C. O. Frye was the toastmaster and numerous were the toasts to Mr. Elliott. These were expressive of the great esteem of the members of the department for their departing member, their appreciation of his faithful services, and the generally felt regret at the ties which of necessity were to be severed. All extended to him their best wishes for success in every way in the new home.

Mr. Elliott was one of the founders of the fire department eight years ago and was the first chief, holding this position for three years, when he resigned. He was a prime mover in the effort to bring the department up to a state of efficiency seldom attained by volunteer companies, and much of the success that has been attained in this respect is due to him. The company is now better equipped than at any time in its history.

ENTERTAINMENT FOR THE CHURCH SPENDS 38 YEARS IN THEATRICALS

Indications point to a large turnout at the annual entertainment at the Coyle Theatre tonight for the benefit of St. Mary's Episcopal church, where R. H. Hartley, the noted magician, will make his second appearance in Charleroi. Many tickets have already been sold for the entertainment and a large audience is expected.

Prof. Hartley's program is in two parts. The first is "Twenty Minutes of Mirth and Mystery," and "Expert Rifle Shooting." In addition there is a musical program of unusual merit. In Prof. Hartley's mirth and mystery program are ten numbers of most mystifying features. Among them are clever card manipulations, "A Floral Tribute to the Ladies," "Wine and Water," and "An Emblem of Liberty." He also "outdoes Webster," and performs many other mystic feats. A highly entertaining program is assured.

EVANGELIST HENDRICK BEGINS HIS SERVICES

Evangelist E. E. Hendrick of Nashville, Tenn., at the Washington Avenue church last night preached his first sermon of the evangelistic services just begun. Mr. Hendrick's sermon was a sort of preparatory one for the services.

The song service was conducted by A. L. Carter of Nashville. Both he and Mr. Hendrick were here last year, and have lost none of their attractiveness. Mr. Carter last night sang a beautiful solo in his familiar effective manner.

Mr. Hendrick spoke of the need of better workers in his work and especially in the church. He said that Satan would go out and pick up the first street loafer he came to, but the churches wanted the workers and if they did get a loafer, it was due to them to convert him into a worker. Services will be held each evening this week at 8 o'clock.

Surprised by Friends.

Miss Henrietta Brand was tendered a surprise last evening by a number of friends, at her home on Eleventh street. There were about 20 couples present, from this place, Donora, Monessen and Washington, and the evening was most enjoyably spent with various social diversions. Dancing, euchre and other games figured in the evening's entertainment. Refreshments were served.

Pfeighardt's beautiful 1910 High Art Calendars are not given to children as they are fine enough to adorn any parlor. 8912

OBJECTIONS TO FAIR SEX

Monessen Youths Form Society to Avoid Them One and All

"T-A" is the title of an organization formed recently in Monessen by the High School and other young men, and "No Girls" is the motto. What "T-A" stands for is a question but it is supposed "The Anti's." The club is purely a stag affair, and has as its purpose a set of rules and regulations as to the different societies to which their fathers belong.

There are officers and committees to be selected each month. Among the things the rules taboo is calling on a girl at her home, or the home of anyone else; taking a girl to or home from a show or entertainment of any kind; or even to talk to a girl in a public place beside a conventional salutation accompanied by raising the hat being specified that the hat must come off. The rule applies to girls not over 21 years or under 10 years of age.

The rules will be suspended on two occasions, dancing school and the last Sunday of each month. The following are said to be the charter members: Henry Mitchell, Ekel Anderson, William Lehrman, Albert Duran, Morse Ney, Carlton Ketchum, James Herron, George Ketchum, Ralph Frye, Albert Ney and Joe Baker.

Another club with a directly opposite aim is now being organized by boys who have "steadies," it is said. Leigh Lewis is said to be at the head of this organization.

SPENDS 38 YEARS IN THEATRICALS

A. F. Nail, who arrived in Charleroi yesterday for the purpose of putting on "The Drummer Boy of Shiloh" with the assistance of the Boy's Brigade at the Coyle Theatre Thursday and Friday, has had perhaps as great, if not a greater career with this most pleasing drama as did Joe Jefferson with "Rip Van Winkle," or Edwin Booth with "Hamlet." Beginning in 1871 Mr. Nail has put on this play continuously for 38 years. It is home talent production, in which he takes a leading part as well as stages and manages the play.

A veteran of the Civil War Mr. Nail enlisted in the First Ohio light battery at the age of 16. For some

A. F. Nail.

time after the war he was in the theatrical profession as a minstrel, but in 1871 he entered into partnership with the author of the "The Drummer Boy of Shiloh," and has continued it ever since. The play is most popular with Grand Army Posts, Relief Corps and other military organizations, but it has been produced under almost every kind of society and organization. Only last spring it was given at New London, Ohio, under the auspices of the Business Men's Bible class.

The play has been repeated again and again in many towns and cities, but like "Uncle Tom's Cabin" or "Ten Nights in a Bar Room" is always popular. It has been given in Worcester, Mass., 164 times, in Pittsburg 18 weeks and in Mr. Nail's home town of Mansfield, Ohio, 147 times and will be repeated there next May. It is a clean, wholesome entertainment, and never fails to arouse the enthusiasm of all who are associated with it.

MINORS WILL BE EXAMINED FOR CERTIFICATES DEC. 11

Two of Chorus are Engaged for Opera

Welsh Singers Recognized as the Best All Over the World

Musical people all along the valley are anxiously anticipating the concert to be given at the Coyle Theatre on next Monday evening, December 6, by the Llerelly Royal Welsh Prize Choir.

The choir has met with great success wherever it has sung, which has been every evening since October 9. Two members of the choir, David Braezell, baritone, A. R. C. M., and the winner of six gold medals and Miss Tydvil Brown, winner of the open scholarship, R. A. M., London, have been engaged by Oscar Hammerstein for grand opera in New York next season, much to the disappointment of Dr. Henry Russel of the Boston Opera Co., who had figured in capturing both at any cost.

Mr. Braezell's rendition of the "Il Pagliacci" and Miss Brown's of "Softly Awakens Thy Heart," by Saint Saens more than pleased that great judge of music, Hammerstein, hence the engagement for the season.

BOY OF FIFTEEN YEARS SAYS HE WAS BORN IN 1884

Applies for New Minor Labor Certificate, but Gets Muddled

In the examinations for labor certificates of minors the superintendent of schools here has had some funny experiences. The other day a youngster wandered in the superintendent's office at Ninth street and made known the fact that he would like to get a new certificate. The superintendent started in to question him, and the first question asked was:

"How old are you?" "Fifteen years," the boy answered. "When were you born?"

"In 1885," was the astounding answer.

The boy was told that he was mistaken and if he was born in 1884, he must by all laws of the universe be 24 years old, whether he wore knee pants or whether he had donned the habiliments of adult manhood. There was no law he was informed whereby his age could be changed from 24 to 15, if he was born in 1884, and he would not need the certificate.

However, the youngster, for such he was, after all, will be given a chance to explain and produce papers which will show him, if 15 years old, to have been born in 1884.

Myers.

Mrs. T. H. Myers, aged about 24 years, died at her home in Bentleyville yesterday morning at 10 o'clock. The funeral will be held from the late residence Thursday morning at 11 o'clock. The deceased is survived by two children, Anna and Edgar at home. She was the daughter-in-law of J. A. Myers of Washington avenue, Charleroi, and was quite well known here.

Pfeighardt's big Daven-O demonstration is one of the most interesting ever held here. 8912

Applications are Many Nowadays for Permit to Labor

NECESSARY STATISTICS

Each Minor Applicant Must Furnish Correct Data of His Age

Many inquiries and applications for minor labor certificates are being made nowadays to Superintendent James G. Pentz, of the Charleroi schools, and he has selected Saturday Dec. 11, beginning at 9 o'clock, as the time for examination of the applicants. The examination will be held in School Hall at Ninth street, and according to law, is to be in reading and writing only.

One matter that has caused some trouble is that of minors living outside the borough limits inquiring for papers. Of these Prof. Pentz does not have jurisdiction, his territory extending to the borough limits only, regardless of whether or not the minors are employed in Charleroi. The minors, in the event that they reside in some other borough or township, should go to the principal of their school, or, if there is no principal, to the secretary of the school board. For instance, a boy employed in a Charleroi factory, but living in Fallowfield township, must go to the secretary of the Fallowfield school board for his papers. The minors living outside will not be allowed to take the examination at School Hall along with those of the Charleroi people.

Birth statistics must be furnished by each applicant. The superintendent is as follows: "Before issuing such certificate the superintendent shall demand, and if possible, obtain a birth certificate, or baptismal certificate, or passport, or other official or religious record of the minor's age, or a duly attested transcript thereof, and in the event that none of them are obtained, he may accept in lieu thereof a record of the age given on a register of the school the minor has attended, or in the absence of such, he may accept the affidavit of the minor's parents, guardian or other persons, which affidavit he may be empowered to administer."

Prof. Pentz urges that all the old certificates and minor labor statistics, as requested last week, be in prompt, as it is essential, owing to the large number, that every minor be examined on the date set.

Gave 500 Party.

Mrs. W. H. Coles entertained a party of ladies at the Wilbur yesterday afternoon in honor of her guests, Mrs. J. A. Bechtel of Xenium and Mrs. J. M. Whitlaw of Johnstown, who are visiting her. Cards was the feature of entertainment and eight tables were devoted to 500. Other out of town guests were Miss Martha Biber of Monaca, and Miss Flossie Sample of Wilkinsburg.

Prices of Meat.

Secretary of Agriculture Wilson has just finished a unique investigation which is published in a report submitted by him to the press in yesterday's dispatches from Washington. This investigation relates to the increase in the price of beef.

Through employees of the Bureau of Animal Industry inquiries were made in 60 cities—large, medium and small—in all parts of the country. A schedule was prepared to record the actual experiences of retailers in buying and selling a carcass or half carcass of beef, and among the facts ascertained were the weight and wholesale cost of a certain piece of beef, usually a half carcass. Then followed the weight and retail price of every cut for which a uniform price was charged by the retail dealer. Thus it became possible not only to compare high-priced and low-priced cuts, but also to compute accurately the total retail price per pound and consumers' cost of the beef piece for which the wholesale price per pound and cost of the entire piece had been reported.

For the 50 cities, the total retail cost charged to consumers above the wholesale cost paid by the retailers is 33 per cent. In five cities the rate of increase is 20 per cent or under; in 10 cities, 21 to 30 per cent; in 12 cities, 31 to 40 per cent; in 12 cities, 41 to 50 per cent and in 11 cities, over 50 per cent.

The average retail price exceeded the average wholesale price by 31.4 per cent, in the North Atlantic States; by 38 per cent in the South Atlantic; by 38 per cent in the North Central; 33.4 per cent in the Western and the highest increase was found in the South Central States, 54 per cent.

The lower the grade of beef the greater the percentage of gross profit. Low-priced beef is marked up nearly twice as much relatively as high-priced beef. In other words, perhaps it is a safe inference that the poor people pay nearly twice as much profit as the well-to-do people pay.

Unhonored and Unsung.

A Kansas City man has offered a prize for \$100 for the best verse or short prose effort on the subject of "father," the unhonored and unsung. Commenting on this the New York World says:

"It is a sad fact that father has inspired very few poets to burst into song over his achievements. There is no Eliza-crossing-the-ice music when father's name is mentioned in the melodrama, and nobody says, 'For my poor dear old father's sake, spare me!' Even the snow, the wheat, the corn, the sky, the old farm, the faithful horse and the dog have received more attention from the poet than has father. Yet father is the one who at least

starts the wheels going round. If the fire is bright, if the children are adequately shod, if there is a steak and pudding on the table, the thanks primarily are to father. Good management and thrift on the housekeeper's part may stretch the family income to astonishing proportions, but all the prudence in the world could not bring about any result if the wage envelope is not there with which to start.

"Consider father. He can eat no more and sleep no more than any one else. Soberly dressed for the most part, and wearing last winter's clothes usually if any member of the family has to do it. At work for the same length of time day after day. Hustled, pushed, but always fighting according to the quality of his manhood—doubly fearful of defeat, first on his own account, then on account of those dependent on him. The tribute to father which of recent years achieved the widest popularity was a ballad to the effect that everybody worked at the singer's house except his old man. Nobody has written an epic about father's faculty for paying bills and leaving a parcel of insurance after him when he is compelled to abandon the problem which he voluntarily undertook to solve."

ELECTRIC SPARKS

The fellow, whether he's man or boy, who said that he was 15 years of age, and then denied his own statement by saying he was born in 1884, is certainly in need of schooling.

There's lots of yellow things—infernal pups, disgraceful cats, some men's backbones, a Chinaman, the moon, apparently, some newspapers and other things.

Monongahela has had and done away with two bridges, and now is going to rejoice with another. Meanwhile Charleroi has one, and is intensely gratified that she is allowed to use it.

Correcting mistakes made by some one else, is not the most pleasant job one can have.

Apparently all the Sunday school work in the county is concentrating in the river district. Rather displeasing to you to have it so, isn't it, Mr. Washington Man?

The man who is the most ready to boast of how honestly he will treat people, should be religiously watched to see that he does not get the least chance to do otherwise.

Monongahela and its regalia next Monday will remind one of the nice rainy time we had November 2, about two years ago.

Paying poker and matching pennies for keeps, should both be put in the unlawful category of crimes evolved through marble playing.

A burgess can afford to solemnly impose a fine, but the person who has the fine to pay, can afford to accomplish the necessary exertion to dig it out of his pockets a great deal more solemnly.

A Charleroi Hungarian ran so fast when chased by a wicked looking negro, accompanied by a much more wicked looking weapon, at Orient, on Sunday, that he lost all his money. It is not known whether or not he ran fast enough to lose himself.

Old Men's Memories.
The late Sarah Orne Jewett lived a great part of her life in South Berwick, and the quaint Maine characters of her native town interested her profoundly.

Miss Jewett at the Mayflower Club in Boston once illustrated aptly the reliable quality of old people's memories.

"A young minister," she said, "born in South Berwick, was called in his maturity to one of the churches of the town. Everybody welcomed him. He had been away nearly thirty years and the oldest inhabitant's welcome was the warmest of all."

"The oldest inhabitant, leaning on his stick, said in a high, tremulous voice to the young man:

"And you're Master Johnny Greenwood! Little Johnny Greenwood! How time do fly! Why, it seems only yesterday I tripped in to the courthouse to see your poor old grandfather hanged."

"Everybody looked shocked. So there was a blot on the Greenwood family scutcheon, eh? But the young man said calmly:

"My good old friend, your memory is partly right and partly wrong. My grandfather was murdered, not hanged. It was two brothers of the name of Alden who paid the penalty of his murder."

"Well, that's what I said," crowed the octogenarian. "That's just what I said, ain't it?" —Exchange.

Ants Are Six Eared.

In the matter of some of their sense organs the ants are more than ordinarily endowed. Strange as it may seem, each ant has at least six ears. Aside from this multiplicity of ears, they are located in just about the queerest place imaginable—on the legs. They seem deaf to all sounds made by the vibration of the air, but detect the slightest possible vibrations of solid material. This is supposed to be to their advantage in that such things as approaching footsteps tell more of the possibility of danger than such sounds as are transmitted through the air. So sensitive are their feet that they detect the impact of a small bird shot dropped on the table from a height of about six inches and about fourteen feet distant from an artificial nest placed at the other end of the table.—St. Nicholas.

Too Much of a Tonic.
When Mr. Chinchin returned home from Chinchin & Chinchin's the other day he found his wife lying worn out upon the sofa.

"Nothing wrong, I hope," he exclaimed.

"I'm afraid I shall have to stop that tonic the doctor prescribed for Tommy," Mrs. Chinchin faintly murmured.

"Why? Isn't he any better?" asked Chinchin.

"Oh, yes, but I think the tonic must be too invigorating. Why, he has slid down the banisters six times this morning, broken the ball lamp, two vases, a water jug and a looking glass, tied a tin can to the cat's tail and scribbled his name on the drawing room paper. Of course it's very gratifying, but I don't feel I could stand much more, so I think I'll stop the tonic."

"OUT IN IDAHO" COMING TO COYLE

There can be no doubt as to the lasting popularity of "Out In Idaho" which comes to the Coyle Theatre next Saturday. What "Uncle Tom's Cabin" has done for the South and the negro of slave days, "Out In Idaho" is predicted by those who have seen it for the west and the men who were slaves to gold in the treasure seeking fever of "forty nine." For three years this play has traveled over the whole country, pleasing thousands of theatregoers. And it is a noticeable fact that those who have already seen the play once, throng to see it again when the chance offers.

This season a cast of exceptional merit has been assembled with a view to giving each part its full dramatic strength, and the people of Charleroi are assured of the opportunity of seeing a big class production, when "Out In Idaho" plays here.

IT CAME TRUE

The Large Party and the Calamity That Followed.

"You can't make me believe," Uncle Abner said, "that the 'it' isn't something in fortune telling."

His auditors were grouped round the stove in the corner grocery store. "Ever have any experience with it?" asked one of them.

"That's what I was going to tell you," resumed Uncle Abner. "Once when I was at the county fair I saw a little tent with a sign on the outside of it that said 'Mime. Somebody-or-other would tell your fortune for 25 cents. I stepped inside just for fun."

"A woman with a thick veil over her face was sitting in a chair on a raised platform. I gave her a quarter, and she looked at my hand. One of the things she told me was that I was going to have a large party at my house in less than a month and that it would be followed by a calamity."

"I laughed at that. Thinks I to myself. 'We hadn't had any parties of any kind to our house for two years, and I don't reckon we'll have one quite as soon as that."

"But it did come true. In about two weeks my wife's Aunt Jane came to visit us, and if you think she ain't a large party you ought to see her. She weighs 250 pounds."

"But how about the calamity?" inquired the man who was sitting on the nail keg after a long pause.

"Well," said Uncle Abner slowly, "she broke down our spare bed the first night she slept in it."—Youth's Companion.

You Who Spend Twice for Fuel What You Should

We'll save you a third or half your fuel bill this season if you will listen to reason. If it was \$30.00 last winter, how would \$15.00 sound for this year?

Remember, we guarantee to save a third the fuel—proper use will save at least half. And just stop to think—the amount saved in fuel will pay the cost of the stove—Cole's Hot Blast saves its cost and over. Will we guarantee this? Yes! We guarantee.

**Cole's
Hot
Blast
\$12
up**

- 1—A saving of one-third in fuel over any lower draft stove of the same size, with soft coal, slack or lignite.
- 2—That Cole's Hot Blast will save less hard coal for heating a given space than any base burner made with same size fire pot.
- 3—That the rooms can be heated from one to two hours each morning with the soft coal or hard coal put in the stove the evening before.
- 4—That the stove will hold fire with soft coal from Saturday night until Monday morning.
- 5—A uniform heat day and night, with soft coal, hard coal or lignite.
- 6—That every stove will remain absolutely air-tight as long as used.
- 7—That the feed-door is and will remain smoke and dust-proof.

All we ask is that the stove shall be operated according to directions and set up with a good flue.

COLONIALS GIVE CASINOS DRUBBING

The first basketball game of the City League was played at the rink last night by the Colonials and the Casinos. The former team won out. There was some trouble experienced with the new rules, and consequently there were numerous fouls by both teams. Both teams showed mid-season form, and if the work done by them is any indication of what is to come, basketball in Charleroi this year should receive a big impetus. The next game will be Thursday evening, between the Friendships and the P. P. H. C. The score:

"LUNCHEON" PROVES ENJOYABLE AFFAIR

The "luncheon" of last evening at the Christian church, under the auspices of the "Baracca" class of the Bible school, was a most pleasant and profitable occasion.

Rev. Carpenter of Uniontown who was to address the meeting could not be present so a program was arranged by the local congregation. J. D. Berryman the class president presided in a most able and happy manner. F. C. Clerihue gave a splendid address on the theme: "The Adult Class." Mrs. Alice Boblitt spoke along the line of "Some things to know in Bible School work. Her address was most practical and inspiring. J. H. Shannon gave a heart-to-heart talk on the needs of the work. H. F. Ingold the superintendent brought the greetings from the school at large. The class president closed with a timely and thoughtful address. Wm. Jones and J. T. Davis offered the opening and closing prayers.

At the conclusion of the program a lunch was served by the men of the Baracca class, the ladies enjoying the treat very much.

The Boss Got Ahead.

"I came mighty near resigning my job this morning," said Ardup, ordering coffee and slinkers. "I'd made up my mind that the boss and I couldn't get along any more."

"Well, why didn't you resign?" asked the man sitting on the next stool.

"He beat me to it by just one second."—Chicago Tribune.

Often the Case.

"My wife believes that what is to be will be."

"Well?"

"And she believes it will all be my fault."—Kansas City Journal.

NEW CARS DID NOT MAKE THEIR APPEARANCE TODAY

Now Stated That They Will be Put on About First of Year

BETTER ACCOMMODATIONS

Washington Cars Being Utilized, and the Complaints are Fewer

Although today was the time specified by the Pittsburgh Railways company about a month ago for putting on the new trolley cars, the old ones are still being run. Inquiry has elicited the information that the new cars have not been brought from the factory at Cleveland, Ohio, yet, but apparently their construction is being held up there.

The time now set for the new cars to be put is about the first of the year. It is thought that the factory will not have them finished until about that time, and possibly even a little later. The company is rather anxious, it is stated, to have them arrive, so that they can do away with the crowding, and get down to a better schedule than is now being enforced.

Cars formerly used on the Washington and Pittsburgh line are being used mostly for the Charleroi line now. The old style of car is not to be seen up this way so often, and consequently there are not so many complaints about the service. The Washington cars are larger and better equipped and not quite so difficult for two persons to get a seat.

It is feared that there will be some trouble in running the large and heavier new car on account of the condition of the tracks in some places, it being said that it is not so constructed to withstand the knocks and extra weight of the new cars.

DEMONSTRATING THE "DAVEN-O"

At Pfeighardt's furniture store this week in the afternoon and evenings is being demonstrated, what is claimed to be the best and latest "Davenort Bed," the "Daven-O." The demonstrator is Miss Fox of Cleveland, Ohio, and she is interesting large crowds daily. The "Daven-O" betokens a new development in beds. It is a couch bed of a superior order, as well as the finest kind of davenport. Miss Fox is a hard worker, and has done much towards putting the "Daven-O" on the market. Already she has made numerous friends here. She came here from Uniontown, where she conducted a very successful demonstration of the "Daven-O."

Order to Brigade Members.

All members of the Boys' Brigade are requested to be at the School Hall, Ninth street tonight at 7 o'clock sharp for the final rehearsal of the "Drummer Boy of Shiloh." By order of Commander. Tickets may be reserved from now on at the Coyle Theatre, for both nights. The reservation started this afternoon at 1 o'clock.

Ladies will miss a treat if they do not attend the Daven-O Demonstration at Pfeighardt's.

New Chapter Formed in East Pike Run

Epworth League Formed at Howe's—Prospects are Good

An Epworth League has been formed at the Howe M. E. church in East Pike Run township, and there are 16 members enrolled to the present date. The organization meeting was held on Sunday, after some preliminary preparation. The officers appointed were as follows: President, Miss Mary Richardson; first vice president, Frank Gregg; second vice president, Mrs. Mary Chalfant; third vice president, Mrs. Stella Sloan; fourth vice president, Walter Chalfant; treasurer, Miss Edna Hart; secretary, Miss Bella Geho; organist, Isabelle Brewer.

LOCKVIEW NEGRO SHOT BY MEMBER OF HIS OWN RACE

Will Get Well However, the Bullet Not Taking Effect in Fatal Spot

Howard Carter a negro 52 years old of Lockview was shot, but not fatally injured last night at about 10 o'clock by, it is thought, another negro by the name of Curry, with whom he had a quarrel some time ago.

Curry, it is said, had not gone to work as he should last night, but loafed around and when Carter put in his appearance at about 10 o'clock shot him in the back. Carter was taken to the Monessen, Charleroi hospital.

PRESBYTERIAN BAZAAR ATTRACTS MANY PEOPLE

The annual bazaar given by the ladies of the Presbyterian church which opened last night in the Eldora Parlors on Fallowfield avenue was a great success. A large crowd was in attendance and good sales were made by the various booths and other departments where pretty and unique things were everywhere displayed.

Somewhat of a sensation was caused by the "Five Senses" booths. At the "Seeing" booth were pretty art novelties, including a fine display of water colors and hand painted china. Candy, cakes and other refreshments were sold at the "Tasting" booth, while at the "Smelling" booth were perfumes and toilet articles. Considerable amusement was created at the "Feeling" booth where packages, with prices affixed, could be felt and purchased, "unsight unseen." At the "Hearing" booth a nickel made the wheels go round of a sweet toned Regina, and other musical toys could be purchased.

The bazaar will be repeated again tonight, and an oyster supper will also be served.

Getting Along Well.

Dr. J. W. Manon who is suffering from a serious illness contracted on Monday of this week is getting along nicely, and in all probability will be able to be out within a week or ten days.

FAREWELL RECEPTION

Firemen Entertain Joseph Elliott, Former President

The members of the Charleroi Fire Department tendered Joseph S. Elliott, a popular member of the department, former chief and for some time president, a farewell reception and banquet in their chambers last night. Mr. Elliott with his family left this morning early for Orchard, Colorado, where he will make his future home.

C. O. Frye was the toastmaster and numerous were the toasts to Mr. Elliott. These were expressive of the great esteem of the members of the department for their departing member, their appreciation of his faithful services, and the generally felt regret at the ties which of necessity were to be severed. All extended to him their best wishes for success in every way in the new home.

Mr. Elliott was one of the founders of the fire department eight years ago and was the first chief, holding this position for three years, when he resigned. He was a prime mover in the effort to bring the department up to a state of efficiency seldom attained by volunteer companies, and much of the success that has been attained in this respect is due to him. The company is now better equipped than at any time in its history.

ENTERTAINMENT FOR THE CHURCH SPENDS 38 YEARS IN THEATRICALS

Indications point to a large turnout at the annual entertainment at the Coyle Theatre tonight for the benefit of St. Mary's Episcopal church, where R. H. Hartley, the noted magician, will make his second appearance in Charleroi. Many tickets have already been sold for the entertainment and a large audience is expected.

Prof. Hartley's program is in two parts. The first is "Twenty Minutes of Mirth and Mystery," and "Expert Rifle Shooting." In addition there is a musical program of unusual merit. In Prof. Hartley's mirth and mystery program are ten numbers of most mystifying features. Among them are clever card manipulations, "A Floral Tribute to the Ladies," "Wine and Water," and "An Emblem of Liberty." He also "outdoes Webster," and performs many other mystic feats. A highly entertaining program is assured.

EVANGELIST HENDRICK BEGINS HIS SERVICES

Evangelist E. E. Hendrick of Nashville, Tenn., at the Washington Avenue church last night preached his first sermon of the evangelistic services just begun. Mr. Hendrick's sermon was a sort of preparatory one for the services.

The song service was conducted by A. L. Carter of Nashville. Both he and Mr. Hendrick were here last year, and have lost none of their attractiveness. Mr. Carter last night sang a beautiful solo in his familiar effective manner.

Mr. Hendrick spoke on the need of better workers in his work and especially in the church. He said that Satan would go out and pick up the first street loafer he came to, but the churches wanted the workers and if they did get a loafer, it was due them to convert him into a worker. Services will be held each evening this week at 8 o'clock.

Surprised by Friends.

Miss Jennietta Brand was tendered a surprise last evening by a number of friends, at her home on Eleventh street. There were about 20 couples present, from this place, Donora, Monessen and Washington, and the evening was most enjoyably spent with various social diversions, dancing, euchre and other games figured in the evening's entertainment. Refreshments were served.

Pfeighardt's beautiful 1910 High Art Calendars are not given to children as they are fine enough to adorn any parlor.

OBJECTIONS TO FAIR SEX

Monessen Youths Form Society to Avoid Them One and All

"T.A." is the title of an organization formed recently in Monessen by the High School and other young men, and "No Girls" is the motto. What "T.A." stands for is a question but it is supposed "T.A." is the club is purely a stag affair, and has as good a set of rules and regulations as the different societies to which their fathers belong.

There are officers and committees to be selected each month. Among the things the rules taboo is calling on a girl at her home, or the home of anyone else; taking a girl to or home from a show or entertainment of any kind, or even to talk to a girl in a public place beside a conventional salutation accompanied by raising the hat, being specified that the hat must come off. The rule applies to girls not over 21 years or under 10 years of age. The rules will be suspended on two occasions, dancing school and the last Sunday of each month. The following are said to be the charter members: Henry Mitchell, Eskel Anderson, William Lehman, Albert Duran, Morse Ney, Carlton Ketchum, James Herron, George Ketchum, Ralph Frye, Albert Ney and Joe Baker.

Another club with a directly opposite aim is now being organized by boys who have "steadies," it is said. Leigh Lewis is said to be at the head of this organization.

SPENDS 38 YEARS IN THEATRICALS

A. F. Nail, who arrived in Charleroi yesterday for the purpose of putting on "The Drummer Boy of Shiloh" with the assistance of the Boys' Brigade at the Coyle Theatre Thursday and Friday, has had perhaps as great, if not a greater career with this most pleasing drama as did Joe Jefferson with "Rip Van Winkle," or Edwin Booth with "Hamlet." Beginning in 1871 Mr. Nail has put on this play continuously for 38 years. It is a home talent production, in which he takes a leading part as well as stages and manages the play.

A veteran of the Civil War Mr. Nail enlisted in the First Ohio light battery at the age of 15. For some

A. F. Nail.

time after the war he was in the theatrical profession as a minstrel, but in 1871 he entered into partnership with the author of the "Drummer Boy of Shiloh," and has continued it ever since. The play is most popular with Grand Army Posts, Relief Corps and other military organizations, but it has been produced under almost every kind of society and organization. Only last spring it was given at New London, Ohio, under the auspices of the Business Men's Bible class.

The play has been repeated again and again in many towns and cities, but like "Uncle Tom's Cabin" or "Ten Nights in a Bar Room" is always popular. It has been given in Worcester, Mass., 164 times, in Pittsburgh 13 weeks and in Mr. Nail's home town of Mansfield, Ohio, 147 times and will be repeated there next May. It is a clean, wholesome entertainment, and never fails to arouse the enthusiasm of all who are associated with it.

Two of Chorus are Engaged for Opera

Welsh Singers Recognized as the Best All Over the World

Musical people all along the valley are anxiously anticipating the concert to be given at the Coyle Theatre on next Monday evening, December 6, by the Llewellyn Royal Welsh Prize Choir. The choir has met with great success wherever it has sung, which has been every evening since October 9. Two members of the choir, David Brazeel, baritone, A. R. C. M., and the winner of six gold medals and Miss Tydvil Brown, winner of the open scholarship, R. A. M., London, have been engaged by Oscar Hammerstein for grand opera in New York next season, much to the disappointment of Dr. Henry Russel of the Boston Opera Co., who had figured in capturing both at any cost.

Mr. Brazeel's rendition of the "Il Plegli" and Miss Brown's of "Softly Awakens Thy Heart," by Saint Saens more than pleased that great judge of music, Hammerstein, hence the engagement for the season.

BOY OF FIFTEEN YEARS SAYS HE WAS BORN IN 1884

Applies for New Minor Labor Certificate, but Gets Muddled.

In the examinations for labor certificates of minors the superintendent of schools here has had some funny experiences. The other day a youngster wandered in the superintendent's office at Ninth street and made known the fact that he would like to get a new certificate. The superintendent started in to question him, and the first question asked was: "How old are you?" "Fifteen years," the boy answered. "When were you born?" "In 1885," was the astounding answer.

The boy was told that he was mistaken and if he was born in 1884, he must by all laws of the universe be 24 years old, whether he wore knee pants or whether he had donned the habiliments of adult manhood. There was no law he was informed whereby his age could be changed from 24 to 15, if he was born in 1884, and he would not need the certificate.

However, the youngster, for such he was, after all, will be given a chance to explain and produce papers which will show him, if 15 years old, to have been born in 1884.

Myers.

Mrs. T. H. Myers, aged about 24 years, died at her home in Bentleyville yesterday morning at 10 o'clock. The funeral will be held from the late residence Thursday morning at 11 o'clock. The deceased is survived by two children, Anna and Edgar at home. She was the daughter-in-law of J. A. Myers of Washington avenue, Charleroi, and was quite well known here.

Pfeighardt's big Daven-O demonstration is one of the most interesting ever held here.

Applications are Many Nowadays for Permit to Labor

NECESSARY STATISTICS

Each Minor Applicant Must Furnish Correct Data of His Age

Many inquiries and applications for minor labor certificates are being made nowadays to Superintendent James G. Pentz, of the Charleroi schools, and he has selected Saturday Dec. 11, beginning at 9 o'clock, as the time for examination of the applicants. The examination will be held in School Hall at Ninth street, and according to law, is to be in reading and writing only.

One matter that has caused some trouble is that of minors living outside the borough limits inquiring for papers. Of these Prof. Pentz does not have jurisdiction, his territory extending to the borough limits only, regardless of whether or not the minors are employed in Charleroi. The minors, in the event that they reside in some other borough or township, should go to the principal of their school, or, if there is no principal, to the secretary of the school board. For instance, a boy employed in a Charleroi factory, but living in Fallowfield township, must go to the secretary of the Fallowfield school board for his papers. The minors living outside will not be allowed to take the examination at School Hall along with those of the Charleroi people.

Birth statistics must be furnished by each applicant. The law on this matter is as follows: "Before issuing such certificate the superintendent shall demand, and if possible, obtain a birth certificate, or baptismal certificate, or passport, or other official or religious record of the minor's age, or a duly attested transcript thereof, and in the event that none of them are obtained, he may accept in lieu thereof a record of the age given on a register of the school the minor has attended, or in the absence of such, he may accept the affidavit of the minor's parents, guardian or other persons, which affidavit he may be empowered to administer."

Prof. Pentz urges that all the old certificates and minor labor statistics, as requested last week, be in prompt, as it is essential, owing to the large number, that every minor be examined on the date set.

Gave 500 Party.

Mrs. W. H. Coles entertained a party of ladies at the Wilbur yesterday afternoon in honor of her guests, Mrs. J. A. Bechtel of Yarenum and Mrs. J. M. Whitlaw of Johnstown, who are visiting her. Cards was the feature of entertainment and eight tables were devoted to 500. Other out of town guests were Miss Martha Biber of Monaca, and Miss Flossie Sample of Wilkesburg.

Prices of Meat.

Secretary of Agriculture Wilson has just finished a unique investigation which is published in a report submitted by him to the press in yesterday's dispatches from Washington. This investigation relates to the increase in the price of beef.

Through employees of the Bureau of Animal Industry inquiries were made in 50 cities—large, medium and small—in all parts of the country. A schedule was prepared to record the actual experiences of retailers in buying and selling a carcass or half carcass of beef, and among the facts ascertained were the weight and wholesale cost of a certain piece of beef, usually a half carcass. Then followed the weight and retail price of every cut for which a uniform price was charged by the retail dealer. Thus it became possible not only to compare high-priced and low-priced cuts, but also to compute accurately the total retail price per pound and consumers' cost of the beef piece for which the wholesale price per pound and cost of the entire piece had been reported.

For the 50 cities the total retail cost charged to consumers above the wholesale cost paid by the retailers is 33 per cent. In five cities the rate of increase is 20 per cent or under; in 10 cities, 21 to 30 per cent; in 12 cities, 31 to 40 per cent; in 12 cities, 41 to 50 per cent and in 11 cities, over 50 per cent.

The average retail price exceeded the average wholesale price by 31.4 per cent. In the North Atlantic States; by 35 per cent in the South Atlantic; by 38 per cent in the North Central; 39.4 per cent in the Western and the highest increase was found in the South Central States, 54 per cent.

The lower the grade of beef the greater the percentage of gross profit. Low-priced beef is marked up nearly twice as much relatively as high-priced beef. In other words, perhaps it is a safe inference that the poor people pay nearly twice as much profit as the well-to-do people pay.

Unhonored and Unsung.

A Kansas City man has offered a prize for \$100 for the best verse or short prose effort on the subject of "father," the unhonored and unsung. Commenting on this the New York World says:

"It is a sad fact that father has inspired very few poets to burst into song over his achievements. There is no Eliza-crossing-the-ice music when father's name is mentioned in the melodrama, and nobody says, 'For my poor-dear old father's sake, snare me!' Even the snow, the wheat, the corn, the sky, the old farm, the faithful horse and the dog have received more attention from the poet than has father.

Yet father is the one who at least

starts the wheels going round. If the fire is bright, if the children are adequately shod, if there is a steak and pudding on the table, the thanks primarily are to father. Good management and thrift on the household's part may stretch the family income to astonishing proportions, but all the prudence in the world could not bring about any result if the wage envelope is not there with which to start.

"Consider father. He can eat no more and sleep no more than any one else. Soberly dressed for the most part, and wearing last winter's clothes usually if any member of the family has to do it. At work for the same length of time day after day. Hustled, pushed, but always fighting according to the quality of his manhood—doubly fearful of defeat, first on his own account, then on account of those dependent on him. The tribute to father which of recent years achieved the widest popularity was a ballad to the effect that everybody worked at the dinner's home, except his old man. Nobody has written an epic about father's faculty for paying bills and leaving a parcel of insurance after him when he is compelled to abandon the problem which he voluntarily undertook to solve."

ELECTRIC SPARKS

The fellow, whether he's man or boy, who said that he was 15 years of age, and then denied his own statement by saying he was born in 1884, is certainly in need of schooling.

There's lots of yellow things—infernal pups, disgraceful cats, some men's backbones, a Chinaman, the moon, apparently, some newspapers and other things.

Monongahela has had and done away with two bridges, and now is going to rejoice with another. Meanwhile Charleroi has one, and is intensely gratified that she is allowed to use it.

Correcting mistakes made by some one else, is not the most pleasant job one can have.

Apparently all the Sunday school work in the county is concentrating in the river district. Rather displeasing to you to have it so, isn't it, Mr. Washington Man?

The man who is the most ready to boast of how honestly he will treat people, should be religiously watched to see that he does not get the least chance to do otherwise.

Monongahela and its regalia next Monday will remind one of the nice rainy time we had November 2, about two years ago.

Paying poker and matching pennies for keeps, should both be put in the unlawful category of crimes evicted through marble playing.

A burgess can afford to solemnly impose a fine, but the person who has the fine to pay, can afford to accomplish the necessary exertion to dig it out of his pockets a great deal more solemnly.

A Charleroi Hungarian ran so fast when chased by a wicked looking negro, accompanied by a much more wicked looking weapon, at Orient, on Sunday, that he lost all his money. It is not known whether or not he ran fast enough to lose himself.

"OUT IN IDAHO"

COMING TO COYLE

There can be no doubt as to the lasting popularity of "Out in Idaho" which comes to the Coyle Theatre next Saturday. What "Uncle Tom's Cabin" has done for the South and the negro of slave days, "Out in Idaho" is predicted by those who have seen it for the west and the men who were slaves to gold in the treasure seeking fever of "forty nine." For three years this play has traveled over the whole country, pleasing thousands of theatregoers. And it is a noticeable fact that those who have already seen the play once, throng to see it again when the chance offers.

This season a cast of exceptional merit has been assembled with a view to giving each part its full dramatic strength, and the people of Charleroi are assured of the opportunity of seeing a big class production, when "Out in Idaho" plays here.

IT CAN'T TRUE

The Large Party and the Calamity That Followed.

"You can't make me believe," Uncle Abner jocosely was saying, "that there isn't something in fortune telling."

His auditors were grouped round the stove in the corner grocery store. "Ever have any experience with it?" asked one of them.

"That's what I was going to tell you," resumed Uncle Abner. "Once when I was at the county fair I saw a little tent with a sign on the outside of it that said 'MINE. Somebody-or-other would tell four fortunes for 25 cents. I stepped inside just for fun."

"A woman with a thick veil over her face was sitting in a chair on a raised platform. I gave her a quarter, and she looked at my hand. One of the things she told me was that I was going to have a large party at my house in less than a month and that it would be followed by a calamity."

"I laughed at that. Thinks I to myself, 'We hadn't had any parties of any kind to our house for two years, and I don't reckon we'll have one quite as soon as that.'"

"But it did come true. In about two weeks my wife's Aunt Jane came to visit us, and if you think she ain't a large party you ought to see her. She weighs 257 pounds."

"But how about the calamity?" inquired the man who was sitting on the nail keg after a long pause.

"Well," said Uncle Abner slowly, "she broke down our spare bed the first night she slept in it."—YOUTH'S Companion.

You Who Spend Twice for Fuel

What You Should

We'll save you a third or half your fuel bill this season if you will listen to reason. If it was \$30.00 last winter, how would \$15.00 sound for this year?

Remember, we guarantee to save a third the fuel—proper use will save at least half. And just stop to think—the amount saved in fuel will pay the cost of the stove—Cole's Hot Blast saves its cost and over. Will we guarantee this? Yes! We guarantee:

Cole's Hot Blast \$12 up

- 1—A saving of one-third in fuel over any lower draft stove of the same size, with soft coal, slack or lignite.
- 2—That Cole's Hot Blast will use less hard coal for heating a given space than any base burner made with same size fire pot.
- 3—That the rooms can be heated from one to two hours each morning with the soft coal or hard coal put in the stove the evening before.
- 4—That the stove will hold fire with soft coal from Saturday night until Monday morning.
- 5—A uniform heat day and night, with soft coal, hard coal or lignite.
- 6—That every stove will remain absolutely air-tight as long as used.
- 7—That the feed-door is and will remain smoke and dust-proof.

All we ask is that the stove shall be operated according to directions and set up with a good flue.

COLONIALS GIVE CASINOS DRUBBING

The first basketball game of the City League was played at the rink last night by the Colonials and the Casinos. The former team won out. There was some trouble experienced with the new rules, and consequently there were numerous fouls by both teams. Both teams showed mid-season form, and if the work done by them is any indication of what is to come, basketball in Charleroi this year should receive a big impetus. The next game will be Thursday evening, between the Friendships and the P. P. H. C. The score:

"LUNCHEON" PROVES ENJOYABLE AFFAIR

The "luncheon" of last evening at the Christian church, under the auspices of the "Baracca" class of the Bible school, was a most pleasant and profitable occasion.

Rev. Carpenter of Uniontown who was to address the meeting could not be present so a program was arranged by the local congregation. J. D. Berryman the class president presided in a most able and happy manner. F. C. Clerihue gave a splendid address on the theme: "The Adult Class." Mrs. Alice Boblitt spoke along the line of "Some things to know in Bible School work. Her address was most practical and inspiring. J. H. Shannon gave a heart-to-heart talk on the needs of the work. H. F. Ingold the superintendent brought the greetings from the school at large. The class president closed with a timely and thoughtful address. Wm. Jones and J. T. Davis offered the opening and closing prayers.

At the conclusion of the program a lunch was served by the men of the Baracca class, the ladies enjoying the treat very much.

The Boss Got Ahead

"I came mighty near resigning my job this morning," said Ardop, ordering coffee and slakers. "I'd made up my mind that the boss and I couldn't get along any more."

"Well, why didn't you resign?" asked the man sitting on the next stool.

"He beat me to it by just one sec."

"Well?"

"And she believes it will all be my fault."
